# The Alma Mater

## DEAR OLD WAKE FOREST

*George W. Paschal, Class of 1892 (Thuringian folk song)*

Dear old Wake Forest, Thine is a noble name;  
Thine is a glorious fame, Constant and true.  
We give thee of our praise, Adore thine ancient days,  
Sing thee our humble lays, Mother, so dear.

Dear old Wake Forest, Mystic thy name to cheer;  
Be thou our guardian near fore'er and aye.  
We bow before thy shrine, Thy brow with bays entwine,  
All honor now be thine, Mother, today.

# Deacon Fight Song

## O HERE'S TO WAKE FOREST

1. O here's to Wake Forest  
A glass of the finest  
Red ruddy, Rhenish filled up to the brim.  
Her sons they are many  
Unrivald by any  
With hearts o'erflowing, we will sing a hymn.

(Chorus)

Rah! Rah! Wake Forest Rah!  
Old Alma Mater's sons are we.  
We'll herald the story  
And die for her glory,  
Old Gold and Black is ever waving high.

2. As frosh we adore her  
As sophs we explore her  
And carve our names upon her ancient walls.  
As juniors patrol her  
As seniors extol her  
And weep to leave fore'er her sacred halls.

## Honor System

The honesty, trustworthiness, and personal integrity of each student are integral to the life and purposes of the Wake Forest community. This statement is embodied in one of our oldest traditions, and that is the honor system (or honor code, as some call it). When you signed your application for admission to Wake Forest, you agreed to live by the honor system at Wake Forest. In specific terms, that means that you and every other student have agreed not to deceive (lie to) any member of the community, not to steal from one another, not to cheat on academic work, not to plagiarize academic work, and not to engage in any other forms of academic misconduct. It means that we can trust each other, and that we willingly accept responsibility for our own conduct and activities. This is a tradition that goes back to the founding of Wake Forest, and with your participation, it continues to be a cornerstone of our community and our interactions with one another.

## Statement of Principle on Diversity

Wake Forest University is a community of men and women that seeks the enlightenment and freedom which come through diligent study and learning. Its higher goal, however, is to give life to the University motto “Pro Humanitate,” as members translate a passion for knowledge into compassionate service.

The community shares a tradition that embraces freedom and integrity and acknowledges the worth of the individual. The heritage, established by the school’s founders and nurtured by succeeding generations, promotes a democratic spirit arising from open-mindedness and discourse.

Wake Forest fosters compassion and caring for others. Its collective strength and character are derived from the values and distinctive experiences of each individual; therefore, it affirms the richness of human intellect and culture and its contribution to knowledge, faith, reason, and dialogue. Furthermore, it strives toward a society in which goodwill, respect, and equality prevail. To that end, Wake Forest University rejects hatred and bigotry in any form and promotes justice, honor, and mutual trust.

## Non-Discrimination Statement

Wake Forest University is committed to diversity, inclusion, and the spirit of Pro Humanitate. In adherence with applicable laws and as provided by University policies, the University prohibits discrimination in its employment practices and its educational programs and activities on the basis of race, color, religion, national origin, sex, age, sexual orientation, gender identity and expression, genetic information, disability and veteran status. ## A Chronological History of Wake Forest

Since 1834, Wake Forest College has developed its distinctive pattern of characteristics: tenacity, independence, a fierce defense of free inquiry and expression, and a concern that knowledge be used responsibly and compassionately. That these characteristics have served the school well is displayed by its growth from a small sectarian school to one of the nation's significant private universities. A brief history of Wake Forest is useful in understanding the University as it is today and appreciating the process through which it developed.

### Brian Piccolo Cancer Fund Drive

Established by students in 1980 in memory of a great Wake Forest athlete/alumnus and Chicago Bear football star who died of cancer. Each year, through a variety of creative events, including “Hit the Bricks for Brian” and “Wake ‘n Shake” dance marathon, students mobilize the campus community in raising awareness of and monies for cancer research and treatment at the Wake Forest University Comprehensive Cancer Center.

### Christmas Lovefeast and Candlelight Service

Wake Forest will celebrate its 49th consecutive Lovefeast on Sunday, December 1, 2013. Begun in 1965 by a Moravian student, Jane Sherrill Stroupe, the first service drew fewer than 200 people; now, with more than 2,000 in attendance each year, Wake Forest holds what has become

## how did the Demon Deacon get to be Wake Forest’s mascot?

**T**he history of the Demon Deacon blends tradition, sports, and religion. It goes back to the Roaring Twenties when a school reporter gave the football team the nickname “Demon Deacons” after a “devilish” win over the Trinity Blue Devils—now known as the Duke Blue Devils. At the time, Wake Forest was the only college in the state without a mascot. In 1941 Jack R. Baldwin ('43) took on a fraternity brother’s dare and dressed up as he thought an old-time Baptist deacon would: top hat, tuxedo, and carrying a black umbrella. The football crowd loved it, and a tradition was born. In 1980 the Demon Deacon evolved into a complete costume with the large Deacon head.

the largest Christmas Lovefeast in North America. The Lovefeast includes a luminary-lined Hearn Plaza (Quad), lighted, beeswax candles with red, crepe-paper ruff, music, and sweetened buns and cider. Dieners and sacristans—students, staff, and faculty—serve the worshipping congregation.

### **Faculty Advisers' Dinner**

During orientation, each new student and his/her advising group are invited to an informal dinner hosted by faculty and student advisers. This is a memorable time for many students and establishes the relationship between advisers and advisees which extends over the next two years (and beyond).

### **Lighting of the Quad**

Celebrating its 11th year, Lighting of the Quad is a student-organized interfaith celebration that includes decorating the Quad with lights, greenery, and a 20-foot tree. Additionally, there is a short interfaith service with musical performances and refreshments. The event is free and open to everyone.

### **The Old Campus**

As a student, you shouldn't miss a chance to see the Old Campus. Wake Forest University began as Wake Forest Manual Labor Institute in 1834. It's just under a hundred miles from Winston-Salem to the quaint old campus in Wake Forest, N.C. During your visit, you will notice stark similarities between the present and past campuses. Some highlights include a smaller version of Wait Chapel, built by the senior class of 1911, and the original Shorty's. Now the campus hosts the Southeastern Baptist Theological Seminary.

### **Rolling the Quad**

Although not unique (but controversial) to Wake Forest University, it started on the new campus in the early 1960s to celebrate athletic victories.

### **Senior Orations**

Dates back to the Old Campus in the town of Wake Forest, North Carolina. There were two literary societies, and they competed for the Ward Medal. Senior orations continue at Founder's Day Convocation each year.

### **Volunteerism/Project Pumpkin**

<http://vsc.groups.wfu.edu/ProjectPumpkin>

This is a service project started by Wake Forest students in 1989. Through partnerships with community agencies, children from the Winston-Salem community (numbering as many as 1,500) are brought to campus and escorted by student/faculty volunteers through residence halls for trick-or-treating, carnival games, and Halloween fun. It provides a valuable service and unifies the entire student community. This year's event will be held October 30th.

## Wait Chapel

A tour of Wait Chapel is something that every student at Wake Forest should do. Not only is the chapel a symbol for Wake Forest, but it also has a great deal of interesting history behind and within it. If you're lucky, you may be able to see and hear The Janet Jeffrey Carlile Harris Carillon on your tour. The Carillon, made up of 48 bells and weighing almost 12 tons, was donated in 1978 by Charles U. Harris, who graduated from Wake Forest in 1935. It is one of fewer than 25 carillons in North America. An additional bonus of the tour is the spectacular view from the Carillon tower. Although the ground level of Wait Chapel doesn't offer the same view, it still has an interesting history. You might learn about some special gifts given to Wake Forest, the contents of the cornerstone, and mistakes in the organ grille. Don't graduate without a tour of Wait Chapel.

The fraternity and sorority community is an important and tradition-rich part of the Wake Forest experience. While each of the 28 organizations offers a unique identity, there are shared values that every organization espouses. Among the strongest benefits of joining a Greek organization are the involvement and leadership opportunities. Fraternity and sorority chapters provide several opportunities through their self-governance structure and connections within other campus organizations. Community service and philanthropic events give fraternity and sorority members a chance to assist and give back to the community. A commitment to scholarship is perhaps

the most significant shared principle. Chapters demonstrate this commitment through their standards for recruiting new members and expectations for maintaining a certain level of academic success as an initiated member. One of the more apparent tenets of fraternities and sororities is that of brotherhood or sisterhood. The chapters combine the concept of individualism within the framework of mutual cooperation. The result is frequently a series of sincere friendships that provide a family feel while away from home and afford great friendships in experiences after college. The 28 fraternities and sororities are organized and self-governed through three separate councils: Interfraternity Council, National Pan-Hellenic Council, and the National Panhellenic Council.

**Amanda Horton**, Assistant Director of Campus Life and Student Programs

The My Journey Initiative is a comprehensive, holistic, collaborative approach to student development. Through class specific programming My Journey engages students in intentional activities and programs that challenge and support them through critical transitions during their collegiate experience. Students who participate in My Journey programs will develop character and leadership, engage in the integration of classroom knowledge and life skills, connect to the university motto, Pro Humanitate, and develop the skills necessary to navigate transitions during college. Each year of the college experience is characterized by an overarching theme. The first year is Awakenings in which students are challenged to awaken to the new possibilities offered to them in college. The sophomore

year is themed Discovery and focuses on personal identity development. The junior year is themed Connections and focuses on connecting students to their future, their past, and to others. The senior year is themed Celebrations and allows students to celebrate the end of a journey while still developing skills needed to thrive outside of their undergraduate experience. A student advisory board helps to develop and guide programming facilitated under the My Journey label. Students interested in class specific programming are encouraged to contact staff members associated with My Journey.

In the spirit of Pro Humanitate, the Office of Service & Social Action facilitates opportunities for students to connect with community partners, serve others, and explore social justice issues. Through these experiences, students develop into engaged, reflective, and knowledgeable change agents in the global community. The Office of Service & Social Action oversees the Volunteer Service Corps (VSC), SPARC Pre-Orientation Program, Wake Alternative Break (WAB) program for international and domestic service trips, large-scale volunteer events, and National Days of Service. Service & Social Action coordinates the Campus Kitchen at Wake Forest University, a food recovery program that combines service with sustainability by recycling more than 16,000 pounds from campus dining and community donors to make nutritious meals for Winston-Salem community members in need. Campus Kitchen WFU

partners with over 15 community organizations to provide more than 300 meals and 800 pounds of produce each week. We advise campus-wide service events, such as Project Pumpkin and D.E.S.K., and National Days of Service, including MLK Day of Service Read-In. We host a Social Justice Retreat in the fall and spring. Students interested in developing as leaders through service should consider applying for Campus Kitchen Exec Board, VSC Advisory Board, WAB Trip Leader, or our two leadership programs: the Social Action Collaborative and Leadership Laureates. Students and organizations are encouraged to consult Service & Social Action for assistance with service projects and programs.

Student Leadership Development is a highly valued learning experience at Wake Forest. To compliment one's academic and intellectual growth, students are encouraged to follow the Wake Leadership Path, an intentional four-year approach to leadership and character skill building. The leadership journey of immerse (first year), refine (second year), apply (third year), and transform (fourth year), provides students with a developmental model to guide their curricular and co-curricular

learning. Students are encouraged to grow as leaders and active members through direct engagement experiences in residence life, fraternity and sorority, student governance, student programming, and volunteer services. With over 140 chartered student organizations, many students find fulfillment through meaningful and diverse leadership experiences. Leadership development is offered to students through a wide range of forums, workshops, retreats, training programs, guided reflection, mentoring, and experiential learning which are presented throughout the year.

Student philanthropy at Wake Forest is an expression of Pro Humanitate at its best. Each year students and student groups organize fund-raisers and charitable events in support of various educational, health, and humanitarian causes to better our local community and the larger world. These student-led philanthropic initiatives bring together the campus community around a common effort to combat poverty, illiteracy, disease, and the effects of natural disasters.

The Brian Piccolo Cancer Fund Drive is recognized as the University's flagship, student-led, charitable endeavor. Founded in 1980, "Piccolo", as students call it, honors Brian Piccolo the great Wake Forest football player/alum and Chicago Bears football star who died of cancer at the age of 26. Each year students come together around various signature events (Hit the Bricks, Wake'n Shake Dance Marathon, Pump Up for Piccolo) to raise awareness and funds to find a cure for

cancer. All money raised goes directly to the Comprehensive Cancer Center at Wake Forest University Baptist Medical Center for cancer research. In May 2009, students broke the \$1 million mark for total fund donations and received the Outstanding Youth/College Achievement Award from the Triad Chapter of the Association of Fundraising Professionals.

Regular participation in Campus Recreation promises a life balance that will help people reach their full potential both physically, mentally, socially, and spiritually. Campus Recreation truly is that third place between the classroom and the study hall.

The Office of the Chaplain sponsors a variety of opportunities for exploring the spiritual dimensions of life and learning. The office, in partnership with over twenty campus ministers and religious advisors, sponsors campus programs with a moral, religious, and spiritual focus. All religious activities are voluntary and include the Pre-School Orientation Conference, the Christmas Lovefeast and Candlelight service, Passover Seders, Shabbat dinners, Jummah services, study groups, retreats, luncheon discussions, support groups, and speakers. Wait Chapel and Davis Chapel provide places of meeting and reflection and are visible reminders of the relationship between religious life and the academic search for truth. A Christian meditation room is located in the Benson University Center, Room 404. An interfaith meditation room is located in Reynolda Hall, Room 23.

**Nurse clinic:** (with on-call Physician) available 24 hours, seven days a week

The Student Health Service promotes a healthy lifestyle through health education and health maintenance. A physician-directed medical staff offers urgent care, illness care, physical examinations, counseling, limited psychiatric care, allergy injections, immunizations, gynecological services, pharmacy, laboratory, sports medicine clinic, referral to specialists, and medical information and vaccinations related to travel to international destinations.

A full staff is available by appointment during clinic hours. A limited staff is available for urgent care and observation 24 hours a day, seven days a week, when school is in session during the academic year. Most services provided in the clinic are covered by the student health fee, however there are discounted “fee-for-service” charges for medications, laboratory tests, observation care, and some supplies and services (such as minor surgery).

Payment can be made by paying cash, check, Deacon OneCard or the charge can be placed on the student’s account in the Office of Financial and Accounting Services. A copy of the statement is given to the student to file with their insurance company. Students are encouraged to make appointments by calling the clinic. The Student Health Service will see students on a “walk-in” basis, but they will be worked into the schedule between patients. This means students will be seen during open slots throughout the day.

All students eligible for services are required to keep an up-to-date “Health Information and Immunization Form” and consent for treatment on file prior to being seen. Information or records are not released to University officials, friends, or family members without the student’s permission. In addition, information will not be shared with therapists or physicians who are not involved in the student’s immediate care without the student’s permission. Students who wish to have information released to other parties should complete a “Release of Information Form” at the time of each office visit or service. There is no blanket release available at the Student Health Service.

### Immunization Policy

All new students are required to complete a “Student Health Information and Immunization” form. The form must be received by the Student Health Service before July 1 for new students entering fall semester or before January 1 for new students entering spring semester. This form requires information in

regards to documentation of immunizations required by the University and the State of North Carolina. This form is located at <http://wfu.edu/shs> under “forms.”

Wake Forest University and North Carolina State Law (G.S. 130A-152) require documentation of certain immunizations for students attending a North Carolina college or university. Students must submit certification of these immunizations **PRIOR TO REGISTRATION**. *Documentation should be on or attached to the completed “WFU Student Health Service Health Information Summary and Immunization Form” provided by the Student Health Service in order to assure correct identification of the student.* If you have not received the “Health Information Summary and Immunization Form,” you may download it at [www.wfu.edu/shs/docs/HIS.pdf](http://www.wfu.edu/shs/docs/HIS.pdf). Acceptable documentation is a statement signed by the appropriate official(s) having custody of the records of immunization, such as a physician, county health department director or a certificate from a student’s high school containing the approved dates of immunizations. The State statute applies to all students except those registered in off-campus courses only, attending night or weekend classes only, or taking a courseload of four (4) credit hours or less.

The American College Health Association recommendations and North Carolina State Law require certification in accordance with the following:

The Wake Forest University Police Department is comprised of professional men and women whose purpose is to provide a safe environment in which students and employees may live, learn, and work. The professionally trained department consists of police officers, security officers, communications officers, and support staff. The primary concern of the

department is to protect and assist the campus community. It operates 24 hours a day, 365 days a year, watching for circumstances that threaten the campus and taking appropriate action. The University police also offer an extensive series of educational and personal safety programs to the University and local communities.

All police officers at Wake Forest University have completed the Basic Law Enforcement Training required by the State of North Carolina, which certifies them as sworn police officers. They possess full investigative and arrest authority on any property owned by the University and any contiguous streets or highways. In addition to traditional patrol, the University police also use foot patrol officers and bicycle patrol officers. Foot and bicycle patrol allow for greater interaction with the campus community and are a critical element in the Community-Oriented Policing Program. University police cars and bicycles are emergency vehicles and have the right-of-way when responding to emergency calls. Bicycle patrol has the right-of-way on and off the roadway. Crossing or moving barricades and entering restricted areas is strictly prohibited.

The protection of life and property on campus requires the understanding and active participation of all members of the University community. Everyone is responsible for reporting incidents or suspected criminal activity by calling 911 immediately. Questions concerning personal crime prevention techniques and educational opportunities, or any other University police services should be directed to the appropriate number in the directory.

A complete annual report of campus crime statistics and other valuable information are available online at [www.wfu.edu/police](http://www.wfu.edu/police).

Vehicle registration is not complete until the parking decal is displayed on the vehicle per instructions printed on the reverse side of the decal. to park on campus or obtain a no-cost decal to park in the satellite parking lot adjacent to Bridger Field House.

The vehicles of students, faculty, staff, and regular vendors entering campus during the hours of gatehouse operation (between 10 p.m. and 6 a.m.) must display front windshield identification in the form of a decal, a visitor pass, or a hang tag. Please be reminded that all vehicles on campus must obey the North Carolina driving laws and especially be reminded that pedestrians have the right of way.

The override permit allows the student to park in designated faculty/staff areas (reserve spaces are excluded). This permit is in addition to his/her regular parking decal. The student is not given a handicapped parking space since these are reserved for individuals who are issued a state handicap placard. If a student has chosen off-campus or satellite parking he/she is required to purchase a temporary decal during the period he/she will need to park on campus.

### Professional Center (Grad School)

<http://catalog.pcl.wfu.edu>

The libraries of Wake Forest University support instruction and research at the undergraduate level and in the disciplines awarding graduate degrees. The libraries of the University hold membership in the American Library Association and in the Association of Southeastern Research Libraries. They rank among the top libraries in the Southeast in expenditures per student.

The Wake Forest University libraries include the Z. Smith Reynolds Library, which is located on the Reynolda Campus and supports the undergraduate College, the Wake Forest School of Business programs, the Graduate School of Arts and Sciences, and the School of Divinity. The Professional Center Library, housed in the Worrell Professional Center on the Reynolda Campus, serves the School of Law. The Coy C. Carpenter Library serves the Wake Forest School of Medicine and is located on the Bowman Gray Campus.

The three library collections total over 2 million volumes. Subscriptions to more than 50,000 periodicals and serials, largely of scholarly content, are maintained at the libraries. The Z. Smith Reynolds Library holds over 1.4 million volumes in the general collection, complemented by

over 200 research databases, over 400,000 e-books, and nearly 25,000 media items. As a congressionally designated selective federal depository and depository of North Carolina government information, the ZSR Library holds nearly 100,000 government documents. The Professional Center Library holds nearly 180,000 volumes and the Coy C. Carpenter Library holds nearly 150,000 volumes. The three libraries share an online catalog, which also provides access to electronic resources, journals and databases, all accessible via the campus network and on the Internet. Through interlibrary loan service, students, faculty and staff may obtain materials from other libraries.

## Reynolda Campus

The Z. Smith Reynolds Library provides comprehensive reference and research services in person and online. Subject specialist library faculty work with individual classes across the disciplines on research papers and one-on-one with students at all phases of the research process. Library faculty also teach very popular elective courses in accessing information in the 21st century and upper-level courses geared towards research in the disciplines. Its many database subscriptions include the ability to set up journal alerts to help students stay up-to-date in their fields of interest. Reference tools are available in electronic and print formats. Special collections in the Z. Smith Reynolds Library include the Rare Books and Manuscripts Collection and the Ethel Taylor Crittenden Baptist Historical Collection. The Rare Books and Manuscripts Collection, greatly enhanced by the donation of rare and fine books of the late Charles H. Babcock, emphasizes American and British authors of the 19th and 20th centuries. Among the collections are works of Mark Twain, Gertrude Stein, William Butler Yeats, T.S. Eliot and the publications of the Hogarth Press. The extensive Anglo-Irish literature collection includes the Dolmen Press Archive. The archive of alumnus Harold Hayes, editor

of Esquire magazine in the 1960s–70s, and the Maya Angelou works for theater, television and screen are maintained in the special collections. The Ethel Taylor Crittenden Baptist Historical Collection contains significant books, periodicals, manuscripts, and church records relating to North Carolina Baptists, as well as the personal papers of prominent ministers, educators, and government officials with ties to Wake Forest College/University. The Wake Forest College/University Archive is maintained in the library as well.

### Keep the WFU Bulletin Issued During Your First Year

Upon matriculation, each student receives a copy of the current Undergraduate Bulletin of Wake Forest University. This bulletin is a very important document, containing the institution's most recent policies governing students' academic programs and pertinent administrative matters. Students are expected to be familiar with the contents of the bulletin since it represents the substance of their contractual relationship with the University. All students should keep the copy of the bulletin issued in their first year.

**Megan McCarthy Anderson, Manager,  
Waste Reduction/Recycling**

336.758.5046

[andersmm@wfu.edu](mailto:andersmm@wfu.edu)

Wake Forest is committed to preserving the environment through our sustainability programs. Recycling is one of the easiest ways to help reduce your footprint on the environ-

ment. Not only is it the right thing to do, but North Carolina law prohibits the disposal of aluminum cans, recyclable plastic bottles, and electronic waste (computers) in landfills. According to the Environmental Protection Agency, Americans discard 160 million tons of waste each year; 60-80 percent of this waste is recyclable.

Recycling bins are dispersed throughout campus. Student government, the Student Environmental Action Coalition (SEAC), and IFC (working with Facilities and Campus Services) have developed a plan to recycle waste from campus social functions through the placement of recycling bins at registered parties. Glass, aluminum, and plastic can all be placed in the same bins marked "Cans & Bottles." Clean paper products can be placed in containers marked "Paper."

Items that can be recycled include:

#### **Glass**

Glass food and beverage containers (remove lids and rinse bottles)

#### **Aluminum & Steel**

Aluminum and steel (tin) cans

#### **Paper**

Newspaper	Junk Mail
Magazines	Envelopes
Notepad Paper	Manila Folders
Computer Paper	Catalogs

#### **Plastic**

All plastic containers that have a neck smaller than the body of the container and/or are marked on the bottom by #1 or #2 in the "chasing arrows" triangle.

#### **Electronic Waste**

Small electronics, like phones and PDAs, CDs, jewel cases, rechargeable batteries, old computer cords, and the like can be deposited into any of the TechnoTrash bins on campus (ZSR Library, or the Bookstore).

You can download a full table of what can be recycled on campus from the campus sustainability website or reference it in your Green Guide for campus.

## **Safety Escort Services**

If a safety escort is required after 3 a.m., one can be provided by calling University Police at 336.758.5591, calling 311 from a campus telephone, or utilizing one of the "call-box" telephones found around campus. The safety escort service is provided by either a police officer in a patrol car or a walking security officer. The timeliness of a safety escort's arrival is dependent on the availability of personnel and the number of high-priority calls to which they may already be committed.

Persons requiring ADA assistance or other special transportation needs that prohibit them from using one of the regular shuttle stops should call University Police at 336.758.5591 (ext. 311 on campus) for alternate arrangements.

## **Telecommunication and Cable Television Services**

*The Bridge, Z. Smith Reynolds Library*  
<http://help.wfu.edu/services/tv-and-phones>  
 336.758.HELP (4357)

### **Cable Television**

Cable television, while providing a recreational outlet, plays an important role by providing access to campus information and educational offerings. Information Systems also offers 142 channels of CATV service to include 68 select HDTV channels and 44 music channels to students in residence halls. Questions concerning cable television should be directed to the Information Systems Service Desk via email at [help@wfu.edu](mailto:help@wfu.edu) or at 336.758.4357.

### **Telephone Services**

Information Systems provides telephone services to the students, faculty, and staff of Wake Forest University. All residence hall rooms are equipped with telephone jacks and cable TV connections. Local dial service for the campus and Winston-Salem area is provided upon request at no additional charge. You can request to have local telephone

service and voice mail activated for your personal telephone in your residence hall room. To make a request after arrival to campus, students living in residence halls must send an email message to the Information Systems Service Desk that includes their name, building, and room number. Long-distance telephone service is not provided. Students must bring their own phone. Cordless phones (2.4 Ghz and 5.0 Ghz) interfere with the campus wireless network and are not allowed on campus.

Questions concerning telephone services should be directed to the Information Systems Service via email at [help@wfu.edu](mailto:help@wfu.edu) or at 336.758.4357.

They are used for access to residential locations and other areas such as campus labs, library functions, athletic events, the Secrest Artist Series, and for all campus card functions. It is a permanent card, turned in upon withdrawal from the University or upon graduation. Lost or stolen cards should be reported to University Police immediately.

The campus card program is a student-requested declining balance system. Deacon OneCard monies may be used at all dining locations, College Bookstore, Deacon Shop, Student Health Service, Student Union, Office of Financial and Accounting Services, University Police, and all campus vending machines. Campus card accounts may be opened, or added to, in the ARAMARK (Food Services) office in Reynolda Hall, by cash, check, money order, VISA, or MasterCard.

## CAROLINA CHOCOLATE DROPS:

### An African-American String Band

[www.carolinachocolatedrops.com](http://www.carolinachocolatedrops.com)

Thursday, September 12

Wait Chapel, 7:30 p.m.

In early 2012 Grammy award-winning Carolina Chocolate Drops released their studio album *Leaving Eden* (Nonesuch Records) produced by Buddy Miller. The album was recorded in Nashville and features Rhiannon Giddens, Dom Flemons, guitarist Hubby Jenkins, and the band's newest touring member, New Orleans native Leyla McCalla on cello/vocals and banjo.

With their 2010 Nonesuch debut, *Genuine Negro Jig*—which garnered a Best Traditional Folk Album Grammy last year—the Carolina Chocolate Drops proved that the old-time, fiddle and banjo-based music they'd so scrupulously researched and passionately performed could be a living, breathing, ever-evolving sound. Starting with material culled from the Piedmont region of the Carolinas, they sought to freshly interpret this work, not merely recreate it, highlighting the central role African-Americans played in shaping our nation's popular music from its beginnings more than a century ago. The virtuosic trio's approach was provocative and revelatory. Their concerts, *The New York Times* declared, were "an end-to-end display of excellence..." They dip into styles of southern black music from the 1920s and '30s—string-band music, jug-band music, fife and drum, early jazz—and beam their curiosity outward. They make short work of their instructive mission and spend their energy on things that require it: "flatfoot dancing, jug playing, shouting"

Rolling Stone Magazine described the Carolina Chocolate Drops' style as "dirt-floor-dance electricity." If you ask the band, that is what matters most. Yes, banjos and black string musicians first got here on slave ships, but now this is everyone's music. It's okay to mix it up and go where the spirit moves.
